

The New Apartment

Digraph th (th as in math)

_____’s family is big. He has a wife and 4 children. They live in an apartment that is small. It has 2 bedrooms and 1 bathroom. They need a bigger apartment with more bedrooms and another bathroom. They will look online for bigger apartments. Then they will ask questions about the rent, the lease, the deposit, and parking.

Word Study: Students underline each "th"

"th" as in math

$$1 + 2 = 3$$

Sound out

Remember

they

apartment

that

bedrooms

bathroom

online

another

lease

then

parking
