OH MARY

*Virgin Mary gave birth to the Messiah.
People were surprised; it was a miracle.*

1. Without being aware of a man an angel greeted her, and then she became pregnant.
It was a miracle.
2. When Joseph saw it, he became sad about it. Then they clarified it.
It was a miracle.
3. When the wise men saw the star of the Messiah, they approved it.
It was a miracle.
4. When the king heard it, he was worried about it. He wondered about the meaning.
It was a miracle.
6. At night he was born in the enclosure of cattle. People thought He was a light.
It was a miracle.
6. When the wise men saw the honorable, they passed through another place.
It was a miracle.
7. The angels told it to the shepherds; then they visited Him.
It was a miracle.
8. It was prophesied by the angels that he will be led to Egypt to stay there for a certain period.
It was a miracle.
