New Year's Eve is at the end of an old year. It is the evening of December 31st. It ends at 12 midnight on January 1st. This is the start of a new year. Many people celebrate on New Year's Eve with family and friends. When the clock strikes 12 midnight they shout, "Happy New Year!" In many cultures, people make a wish for the new year.

Word Study: Students underline each "Long e",
then sort the words into verbs, nouns, and other
